

REMARKS

1
2 The Applicant has received and reviewed the Final Official Action mailed
3 by the Office on 15 June 2005 (hereinafter, the "Action"), and submit this
4 response for expedited consideration under the terms of 37 CFR § 1.116.
5

6 Claims 27-45 were pending in this application before entry of the above
7 revisions. The Action stated rejections of claims 27-34 and 45, and allowed
8 claims 35-44. Herein, the Applicant cancels rejected claims 27-34 and 45 without
9 prejudice, waiver, or disclaimer of its right to pursue the subject matter recited in
10 the rejected claims in future continuing applications. Allowed claims 35-44
11 remain pending.
12

13 The Applicant requests entry of the above revisions, canceling claims 27-34
14 and 45. Because these revisions cancel rejected claims and leave only allowed
15 claims pending, these revisions should be entered under the terms of 37 CFR §
16 1.116.
17

18 The Applicant submits that this application is in condition for allowance,
19 and requests a Notice of Allowance to that effect at the earliest convenience of the
20 Office.
